### Energy-efficient logistics

Result 80,58 %

Classification ★★

Auditor Andreas von Schmid

Certificate valid until November 2, 2026

By issuing the certificate,  
FUMO Solutions GmbH  
confirms the following  
points:

Knowledge of vehicle and  
company-specific measures  
to improve the economic and  
ecological situation.

The structured develop-  
ment and implementation of  
long-term measures to reduce  
energy consumption and CO<sub>2</sub>  
emissions.

Recognising climate and  
environmentally friendly  
measures as an important part  
of the corporate strategy.
